

Like all '59 Chevrolets, the Impala Sport Sedan is roomier, smoother riding.

what Canada wants, Canada gets in a Chevy!

'59 CHEVROLET

It's shaped to the modern Canadian taste with a lean, clean silhouette, crisp new contours, beautifully restrained accents. It brings you more spaciousness and comfort with a new Body by Fisher. It has a bright new sheen—a new kind of finish that keeps its lustre without waxing for up to three years. New bigger brakes. Vast new areas of visibility. New Hi-Thrift 6. New handling ease and road steadiness. It's new right down to the tires!

Never before has an automobile manufacturer made such sweeping changes two years in a row. And never before has any car been new like this one. The 1959 Chevrolet is more than a restyled car—more, even, than a completely new car. It's your kind of car. Shaped to reward your new taste in style. Designed to anticipate your desire for greater roominess and comfort. Engineered for greater safety, economy, ease of handling and smoothness of ride.

Your first look shows you that Chevrolet says new like nobody else. New Slimline design brings entirely new poise and proportion to automobile styling. Inside the new and roomier Body by Fisher you'll find truly tasteful elegance. And you'll have clear seeing from every seat. The new Vista-Fracas windshield curves overhead—and there are bigger windows all around.

When you take the wheel, you begin to find that Chevy's newness goes down deep. A new steering ratio makes handling easier. New suspension engineering gives you a more stable ride. There's a sweet new edition of Turbo-Glide.* Eight V8's plus a new Hi-Thrift 6 that goes and goes on a gallon. New and bigger brakes. Even new tires!

There's still more! A new Magic-Mirror finish that keeps its shine without waxing or polishing for up to three years. New Impala models. Wonderful new station wagons—including one with a rear-facing rear seat. And, with all that's new, you find those fine Chevrolet virtues of economy and practicality. Stop in now and see the '59 Chevrolet.

*Extra-cost option.

Bel Air 4-Door Sedan—new right down to its tires.

BRIDGE DEDICATION NOV. 12

The bridge across the Saskatchewan River two miles east of Drayton Valley is to be officially dedicated in short ceremonies at the bridge site Wednesday, November 12, followed later by a dedication banquet to be held in the Cardium Room.

Among those present for the dedication ceremonies will be Honorable Gordon Taylor, head of the Department of Highways, a branch of which, the Bridge Department, erected the \$1,100,000. structure across the river during the summer of 1957. It is expected that Mr. McManus, head of the Bridge department will be on hand for the ceremony also.

Others will include Mr. Earl Ansley, MLA for Leduc Constituency, which extends to the east side of the river, and takes in the east approach to the bridge; Mr. Harold McLaughlin, MLA for Stony Plain Constituency, which includes the area from just east of Winterton to four townships west of Drayton Valley, including, of course, the west approach to the bridge. The Mayor of the Town of Drayton Valley will be on hand to represent the town, and a representative of the Chamber of Commerce, the sponsoring group for the dedication will also be on hand for the occasion, with other representatives of the various service clubs and other organizations of Drayton Valley.

It is expected that a representative of Canadian Coachways will be on hand for the ceremonies. Canadian Coachways plan on running buses in from Edmonton in the near future, over the new bridge. A junction will be made for bus service south to Calgary and other points at Alsike Corner.

The highway has been very well gravelled and finished from the bridge to Alsike Corner and now a very good road. The old #39 Highway from Calmar to the place where the junction is made with the new highway at Alsike Corner is being widened and improved. In some places it is being straightened and the entire stretch to #2 Highway at Leduc is being brought to standard for hard-topping and will make a very good road to Edmonton when completed, probably next summer. The railroad crossing at Sunnybrook is being eliminated as the highway will stay on the north side of the CPR tracks from Sunnybrook to Calmar.

The Banquet in the Cardium Room will start at 7:00 o'clock. Tickets are now being sold for the banquet. It is expected that, owing to the limited space in the Cardium Room the 150 seats available will be sold at an early date.

HOME AND SCHOOL MEETS.

The Drayton Valley Home and School reports a very successful meeting the evening of Monday, October 27, held in the School Auditorium. Attendance was an all-time high of 92 present for the meeting.

The meeting was the regular monthly meeting for the local Home and School group. A feature of the meeting was a talk given by Mr. Carruthers, head of School Safety Patrol for the A.M.A. on the work done by School Patrols in preventing accidents at school crossings. Mr. Carruthers also showed pictures of actual scenes of children stopping traffic to let school children cross the street to the school.

It is thought that a School Patrol would not be too effective unless the school yard was enclosed in a fence, with exit gates, that could be watched by the Patrol. Otherwise the children would do as they are doing now, run across the street at any place. The Home and School group have a little money on hand that might be applied toward fencing in the school yards, but so far no definite action has been taken, in the matter. Mr. Carruthers remained over in Drayton Valley and showed the pictures to the schoolchildren the following day; he also addressed the school children on safety practices.

Present for the meeting were two representatives from the Rotary Club, Anders Anderson and Murray Clark, and a representative from the Lions Club, Chief Constable, Al Kales, who was at the same time representing the Town of Drayton Valley Police Department at the Monday evening meeting.

The executive of the Home and School and the teachers were very encouraged at the fine turn-out to the meeting on Monday night and it is reported that thus far paid up memberships in the Home and School group are higher than during the entire season last year. So it is expected that interest will be better this year than it was last year. So far 51 members have paid up. Fee for the year is .75¢ per member.

Other business conducted by the H. & S. at their meeting was the nomination of another member to the Membership Committee, Mrs. Gray, and the authorization of the awarding of scholarships at the next meeting.

districts. The districts themselves would handle other administrative matters.

W.R. Hanson, chief forester for the Eastern Rockies Forest Conservation Board, headed the committee. The report contains 20 separate recommendations.

EARLY START PREDICTED -- A heavy schedule of work is building up for the 1959 session of the Legislature, and as a result plans are being made to get it started early. Premier Manning said last week that Thursday, Feb. 5, looks like the probable date. This is about two weeks earlier than usual.

two weeks earlier than usual. In the past few years, members have been hard-pressed to prorogue the session by Easter. Last year, it took the House 10 days of sittings to push the legislative session through, and there were grumblings from the Opposition that important work was being unduly rushed. Details of the government's five-year plan are expected to provide the fuel for plenty of debate during next year's session. It will be the fifth -- and perhaps the last -- session of the 13th Legislature. Opposition leader Manning will probably call an election next March.

X X X X

We haven't heard too much from W.J.C. Pirby since he was named provincial leader of the Progressive Conservatives. But last week he was in Edmonton and unleashed an attack against the government's five-year plan.

The plan, he said, was conceived "in desperation to convince Albertans that all is well." He said it won't be an issue in the next election because all the points of the plan are things the people of Alberta are demanding and things that Opposition political parties have advocated in the past. The plan doesn't solve problems of education and municipal financing, to add, but is intended to divert attention from problems the government hasn't solved.

HERE AND THERE.

Crops are very good this year according to all reports. Albert Wikander reports a crop of wheat that went a good 50 bushels to the acre. Nor is that an isolated case, as Louis Gregor also reports 50 bushels on this farm west of Rocky. The Wikander crop was raised on the farm that used to be Holmer Runsted's homestead.

Reports from the State of Washington tell of a soft pastry wheat that has been developed which yielded a whopping one hundred bushels per acre. It is not yet been grown in commercial seed quantities, but it is expected that in a year or so it will be available for seed. Looks like not matter how good we do someone does better. That's progress.

Home recently for the long week-end of Thanksgiving were Kay Glass and Barbara Plotts. Miss Glass lives in Rocky Rapids where her father runs a store, and Miss Plotts lives in D.V. They are both in the University of Alberta, hoping to become doctors of medicine some day.

Andrew Brooks, son of Dr. and Mrs. Brooks is also a University of Alberta student, taking a pre-med course.

Said one Poor Fish to the other: "Come home with me and meet my fin-folks".

That at the time the Town of Drayton Valley was formed and assumed its own administration, on December 31, 1955, the gross assessment was \$593,940.00. Today the gross assessment is \$2,020,940. ALMOST 4 TIMES AS MUCH!

DRAYTON VALLEY HIGHLIGHTS.

BY: Edith Deby.
The Violet Grove Branch of the Alberta Farm Union will hold its annual meeting in the Huntington Community Hall on November 1, at 8 p.m. All members are urged to attend.

Lee Casey, son of Mr and Mrs Allan Casey is well enough to be in school again. Lee was in an Edmonton hospital for some time after he had taken a nasty fall.

The Library Board held its regular monthly meeting on October 23. Since the president, Mr Alex Grant, was unable to attend the meeting was conducted by Mrs Moore.

The membership now stands at 500 children and 40 adults. A membership drive is planned for the near future.

Mrs Larbalestier still needs ladies to work as librarians in the afternoon. Any one interested is asked to phone Mrs Larbalestier at 104.

It is hoped that Mr Lou Brodeur will soon be well enough to return to his job as secretary of Lodge 604. Mr Brodeur is in an Edmonton hospital convalescing after an operation.

ELKS LODGE HOLD INSTALLATION OF OFFICERS.

The Drayton Valley B.P.O.E. Lodge #391 held their annual installation of officers on October 14, 1958.

The installation of officers was conducted by Mr George Knight, District Deputy Grand Exalted Ruler. Mr Bill Davich, Past Exalted Ruler, from Edson was assisting installing officer. Mr Harvey Switzer, 1st vice president of the Alberta Elks Association, acted as secretary. Mrs Garvey, Supreme Historian of the Supreme Lodge, acted as Conductress. Drayton Valley's Royal Purple supplied the installation Patrol team.

Officers installed for the incoming year are listed below:

Exalted Ruler.... Mr Dave Rand.
Past Exalted Ruler: Mr Herbert Forecast
Leading Knight: Mr Earl Thompson.
Loyal Knight.... Mr Elmer Woods.
Lecturing Knight... Mr Les Wall.
Esquire.... Mr Curt Clauson.
Secretary.... Mr Garth Shaw.

ELKS INSTALLATION (continued)

Treasurer..... Mr Gil Oslund.
Inner Guard..... Mr Rene Belva.
Outer Guard..... Mr George Gustoffson.
Chaplin.... Mr John Ewanic.
Historian... Mr E. Lindekoog.
3rd year Trustee.... Mr Bill Copeman.
2nd Year Trustee.... Mr George McMorris.
1st Year Trustee.... Mr Burt Palmer.

Following the installation Mr Harvey Switzer, Mr George Knight and Mr Dave Rand spoke on Elksdom in Canada, and its achievements. After the adjournment of the meeting a social evening was held. Visiting Lodges to the town of Drayton Valley were Edson, Gainford and Jasper.

RECREATION BOARD MEETS.

The Recreation Board held its regular meeting on October 22 in the Conservation Board office.

The progress report on the Hockey Rink was as follows: The ground is now levelled with a sincere "Thank You" to Wadell Bros. and MacCalder Construction. The Lions Club have kindly agreed to construct the rink with the Recreation Board supplying the material. The rink in the Park area will now be strictly for skating, making it much more pleasant for all.

A group of ladies met in the Recreational Building on October 28th to organize the Drayton Valley Crafts Guild. The elected officers were as follows: President: Margorie Wong; vice President: Mary Mandryk; Secretary: Kay Cathrea; Treasurer: Verna Baley. Directors for Copper Tooling: Mary Followay and Emily Thompson. Directors for Leather Craft: Hilda Rand and Ollie Nebo.

Would anyone interested in Crafts get in touch with the above or attend their next meeting in the Recreational Building on Monday, November 3, at 8 p.m.

The response to our request for volunteers in helping with the Teen-agers was hardly overwhelming, not a single soul appears interested in the planned recreation for the teen-agers. Surely in a town the size of Drayton Valley there are individuals who would like to help organize or chaperone teen dances, sleigh rides, hay rides, etc. etc.

Once again: would anyone interested get in touch with the Recreation Board member or by attending the next meeting of the Board which will be held in the Recreational Building at 8.30 p.m. on November 6th.

The present members of the Recreational Board are: G. Kelly Flynn, Chairman; Howard Cathrea, vice Chairman; Secretary: Father Scriven; Treasurer: Will Johanson. Members: Howard Pickyp, Oskia Williamson, Grant Gunderson, Don Larbalestier, Peter Nebo and Jean Bosworth.

MAN INJURED ON HIGHWAY.

Early Sunday Morning, October 26, two men were in an accident on the highway going north to Highway #16, about 26 miles north of Drayton Valley.

Seriously injured was Allen Kay, and less seriously injured was W. Mills. Both men are employed in Drayton Valley.

Both men were brought into Drayton Valley Hospital for treatment and Mr Kay was then removed to Edmonton for further treatment and hospitalization. Mr Mills was discharged from the hospital after treatment for minor injuries.

DONATIONS BEING RECEIVED FOR FAMILY BURNED OUT.

Reports indicate that a very good response has been given to the appeal for funds organized by friends of the George Hart family, who lost their house and all possessions by fire a short time ago.

The house had been newly purchased and had been moved to the site of the Ohio Battery west of Campion Corner; it had just been on the new site a day when it caught fire, app- (next column)

DONATIONS BEING RECEIVED. (cont.)

recently from defective wiring.
It was announced that a Benefit dance was to be held for the Hart family. They were able to purchase another house and house-mover Lou Matlock moved it free of charge, so the Harts are again living in their own house.

Next week's paper will carry a fuller account of the amounts received in the benefit drive.

BUILDING TO BE MOVED IN.

Carl Armbruster, proprietor of Drayton Valley Meat Market, has purchased a lot just across from the post-office, next to Rex's Radio and T.V. where he plans on operating a smoke-house.

Cement foundations have already been put in and the building is soon to be moved in from Lodgepole. It is the building Carl had built out there a couple of years ago for the meat market.

All kinds of meats, game and fish will be smoked in the smoke-house when it is completed.

ALBERTA GOVERNMENT TELEPHONES TO BUILD WAREHOUSE.

Alberta Government Telephones have taken out a permit to build a warehouse and storage in the rear of their present telephone office. Telephone installations are being put in constantly and the telephone service is being expanded all the time. As operators are trained and equipment is put in Drayton Valley's telephone service shows a marked improvement.

DRAYTON VALLEY COUNCIL SWORN INTO OFFICE.

Drayton Valley's new Council was sworn into office by Returning Officer Bill Johannesen on Monday, October 27.

On the Council: Adrian Meier, as Mayor, Howard Pickup (with 2 more years as Councillor) as deputy Mayor; Frank Bosworth, Councillor, with 2 more years; And Don McKenzie, Councillor, with 1 more year. These three councillors were on the previous council.

New Councillors: Gil Oakland, and Carl Wahl, each for three years, and Vic. Halva, for 1 year.

Retiring: John Getzinger, Dave Chow and O.H. Williamson.

Council will meet the second Tuesday afternoon of each month. Special called meetings will also be held as required.

A special meeting has been called this week to prepare a brief to submit to the Department of Public Welfare relating the desirability of Drayton Valley as a central location for the establishment of a Senior Citizen Home.

This weekend a representative from Drayton Valley Council will be going into Edmonton to attend the convention of Alberta Municipalities.

A recent review of the figures and statistics of the town revealed a tremendous increase in assessment and services, etc.

ment District No. 78.**

TAKE NOTICE that the Minister of Municipal Affairs being for the purpose of the Town and Rural Planning Act, R.S.A., 1955, as amended, the Council of Improvement District No. 78, propose to make an Amendment Order to the Interim Development Order in accordance with the provisions of the said Act.

The proposed Amendment Order is to be made pursuant to and will adopt the provisions of the Enabling Interim Development (Amendment) Order of Improvement District No. 78 which was made by the Minister of Municipal Affairs on the 3rd day of October, A.D., 1958. The purpose of these Orders is to amend the Interim Development Order of Improvement District No. 78, which was made by the Council, on the 5th day of April, A.D., 1955, and to enable the Minister to continue to exercise Interim Development Control in respect of these parts of Improvement District No. 78, as described in the said Order.

Copies of the proposed Amendment Order and of the Enabling Amendment Order are deposited at the office of the Director of Town and Rural Planning, Department of Municipal Affairs, Highways Building, (Room 333), Edmonton, and at the office of the Development Officer of Improvement District No. 78 at Drayton Valley and at the Town Office, Lodgepole.

At 1.30 P.M. on Thursday, the 6th day of November, 1958, the Minister will cause a public hearing to be held at the Pan American Safety Hall, Drayton Valley, at which objections to the proposed Amendment Order may be made and discussed.

Dated at Edmonton on this 28th day of October, A.D., 1958.

(signed) A.W. Morrison,

Deputy Minister of Municipal Affairs.

TRUCKS DESTROYED IN FIRE

F.U.A. MEETING.

The loading station at Pembina Pipe Lines plant on the Buck Creek side of the river was the scene of a huge conflagration Wednesday afternoon, November 5, when three large semi-trailers and a half-ton pickup were burned. Apparently a hose on one of the tank semi-trailers, which was unloading natural gasoline from the Goliad plant for transshipment by pipe line from Pembina Pipe Line plant, broke and the liquid sprayed onto the motor of one of the trucks setting it on fire. Before it could be brought under control the fire had spread to two other semi-trucks and the half-ton which was standing nearby. All were completely demolished.

The truck are owned by Trimble Trucking Co. who are hauling some of the by-products of the Goliad plant for transshipping until pipe lines are installed between the two plants.

REMEMBRANCE DAY SERVICE.

As they did last year also, Drayton Valley's Canadian Legion members will parade on the morning of Armistice Day, Tuesday, November 11.

The group will line up at McFarland Lumber Yard office and will then parade to the Community Hall where a non-denominational service of Memorial will be conducted. The general public is invited to attend the service.

The hospitality of the local Legion Branch will be extended to all veterans for one hour following the service.

From 5 p.m. to 8 p.m. a Buffet Dinner will be served at the Community Hall, open to veterans and one guest.

A Public Dance will follow, starting at 9:00 p.m.

ANNUAL MEETING OF F.U.A.
LOCAL 541, HELD.

The annual meeting of the local F.U.A. local No. 541 was held in Dunington school house the evening of Saturday, November 1st, with a good group in attendance.

Guest speaker for the meeting was Mr. Johann, Sub Director for District No. 5. His subject was "The Interprovincial Farm Union: Its Objects and Accomplishments to Date".

New officers elected were Roman Vowk, president.

Next column

Mr. Harvey Skidman, vice president, Secretary treasurer is Les Herndon. Directors are Otto Stordasvol, Ed. Hines, S. Lawrence, Freeman Hill and B. Urchysahyn.

Canvassers for 1959 membership drive are W. Swanick, L. Herndon, Harvey Skidman, R. Volk, and Ed. Hines.

In 1958 Local No. 541 had 152 paid-up members. The 1959 objective is 100% of all the farmers of the area.

Refreshments were served by the ladies of the F.U.A.

ICE CARNIVAL TO BE STAGED AGAIN.

At the regular Boy Scout Group Committee meeting held in Scout Hall on November 5 it was decided that the group would again sponsor the Ice Carnival, which has become a well-known and well-attended annual winter event in Drayton Valley.

The Boy Scouts are to hold a Jap Orange Sale shortly and will make a house to house canvass.

On Wednesday, October 29, Mr. Holloway, of the Boy Scout Provincial Executive presented the Charter to the Rotary Club which makes them the sponsoring body for the Boy Scout work in Drayton Valley.

BRIDGE DEDICATION TO BRING
MANY VISITORS HERE.

The Dedication of the Drayton Valley Bridge to be officially held the afternoon and evening of Wednesday, November 12, will bring a large number of visitors from across the river as well as other places.

The dedication service to be held at the bridge will be commenced at 3 o'clock in the afternoon, the length of the ceremony conducted at the bridge will depend largely on the weather. If the weather held good it will last about 45 minutes, but if the weather is cold it will be of shorter duration.

Representatives from the communities of Brooks, Wainwright, Thorsby, Galmier, Leduc, Devon, Wainfield, Buck Creek, Alder Flats and Sunnybrook from the west side of the river will (continued inside)
